PRESENTS

A Community-Based, Operations-Based Exercise

Are you looking for an opportunity to meet your Centers for Medicare and Medicaid Services (CMS) exercise requirement?

Join All Clear Emergency Management Group for a healthcare-specific, community-based, operations-based exercise to meet the exercise requirements within the CMS emergency preparedness rule. All Clear Emergency Management Group will provide an introduction to exercise design and conduct a scenario-based interactive exercise that features a series of tasks to help you meet the CMS exercise requirement.

REGULAR PRICING
