DATA DURING DISASTERS

- Starlink continues to do

COMMEX JUNE 13

2024 EHPC HURRICANE COMMUNICATION AND INFORMATION SHARING EXERCISE

ARE YOU READY? - DATE: JUNE 13TH 2024

- Engage stakeholders on communication system(s) and leverage the use of the interoperable channels/talkgroups across the region.
- Identify redundant interoperable communication capabilities in the event of major disruptions to primary communication system(s).
- Demonstrate the ability to develop, test and evaluate PACE plans for redundant voice and data pathways.
- Demonstrate the ability of participating public safety and AUXC personnel to rapidly and effectively establish interoperable communications prior to, and following a major land falling hurricane impact.
- Enhance the overall readiness of the Southeast region and North Carolina in preparation for the 2024 Hurricane season.

Virtual Exercise - participate from the comfort of your home base / jurisdiction and work at your own pace!
